TREASURE CHEST
of
First Presbyterian Church

Dear Elementary families,

Summer has arrived and with it comes our 2011 Networker, Hannah Brown! She begins her ministry with us this week and had a chance to meet our children last Sunday in the Treasure chest. You can learn more about her in this month's Challenger on our website. We are planning a great summer for our church families, here are the details;

JUNE:

- 9:40 1st-6th grades meet in room 206, the Treasure Chest for worship
and a "Walk Through the Old Testament." Interactive learning at its best!
Peek your head in once in a while for a crash course on every book in the OT.
11:00 KIDS ALIVE will continue to meet with the current class for the month of June.
***AFTER JUNE 26, children entering 3rd grade will remain in the worship service!**

JULY:

- 9:40 **Family Time around God's Word**
A special 5 week intergenerational Sunday morning class for the entire church
designed for ages 2-102. Gathering around God's Holy Word each week, we will share insights
and speak into each other's lives as we spur one another on to love and good works.
Fellowship Hall Led by Scott Norvell
Nursery open for class participants only at this hour
All other children's classes are suspended for this time.
11:00 Beginning July 3 we will welcome the *incoming Kindergarten* class to KIDS ALIVE!
...goodbye children entering 3rd grade!

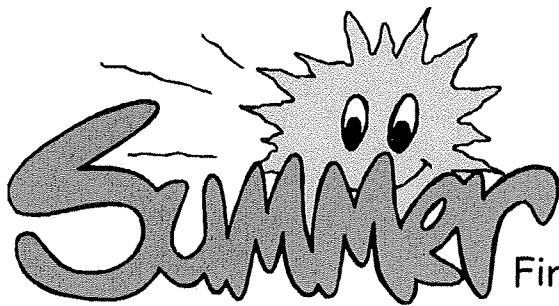

AUGUST:

- 9:40 "A Walk Through the Old Testament" resumes in the Treasure Chest!
August 7 Welcome new Kindergarten Class! A special orientation morning for parent and child
Also..."Goodbye, Hannah!"
11:00 KIDS ALIVE Continues

A permission slip for all summer activities is required before children may participate in events! They are available at Tuesday evening Bible Studies, in the Sunday School room or from Hannah. !

Yours for the littlest members of the flock,

Children's Director, Elementary
